Gentlemen:

The Department of Energy Rocky Flats Field Office (RFFO) submitted the Draft Record of Decision (ROD) and Final Responsiveness Summary for Rocky Flats Operable Unit No. 16 (OU 16), the Low Priority Sites, to your respective agencies on April 29, 1994, ahead of the Ingeragency Agreement scheduled delivery date. If you have any comments on the document, please submit them to RFFO by June 10, 1994. The RFFO and EG&G would like to close out OU 16 this fiscal year, to avoid carrying OU 16 into the next fiscal year budget process. Since the draft ROD and Final Responsiveness Summary were crafted with the assistance of your staff, RFFO expects only minor comments.

If you have any comments, please call Robert H. Birk of my staff at 966-5921.

Sincerely,

Jessie Roberson
Acting Assistant Manager for
Environmental Restoration
